

## **Revocation of Charter for Lack of Academic Performance**

### **TCS-U-10**

- (a) A charter school is designated “inadequately performing” when, for two of three consecutive school years, the charter does not meet or exceed expected growth and has below 60% proficiency.
- (b) If a charter school is operated for more than 5 years and meets the definition of “inadequately performing,” the SBE may initiate revocation of the school's charter.
- (c) When a charter school operating within its first five years does not meet or exceed expected growth and has proficiency below 60% for two of three consecutive school years, the charter school shall develop a strategic plan to meet specific goals for student performance that are consistent with State Board of Education criteria and mission approved in the charter school. The strategic plan shall be reviewed, and, if favorable, approved by the State Board of Education. If the charter fails to demonstrate improvement under the strategic plan within two years of the approval of the strategic plan, the State Board of Education may initiate revocation of the school's charter.
- (d) This policy does not prohibit the State Board of Education from taking any action that is otherwise legal and appropriate pursuant to G.S. 115C-218.95.
