Quality Dashboard

The UNC Educator Quality Dashboard serves as an interactive on-line tool for viewing and analyzing data reflecting our progress towards the goal of augmenting the quantity and quality of public school educators serving our state's students. The dashboard allows for increased transparency and ease in data access for education stakeholders, including educators, administrators, policymakers, parents, and students. The key outcome and performance indicators reflected in the dashboard are organized into the following categories:

RECRUITMENT AND SELECTION

Selection Criteria, Academic Profile Data, Licensure Exam Results

EDUCATOR PREPARATION

Enrollment Trends, Teacher Productivity, Clinical Experiences, Time to Degree

PERFORMANCE AND EMPLOYMENT

Preparation Pathways, Retention, Recent Graduate Survey, Value-Added Measures, Employment Distribution, Job Placement Rates
