Dear Ms. Rice:

As Commissioner of the Technical College System of Georgia (TCSG), I am writing to express our support of the proposed revisions to the Common Core Georgia Performance Standards (CCGPS) in English Language Arts (ELA) and Mathematics. Our faculty and staff have participated on the working and advisory committees to review and evaluate these standards.

We appreciated the opportunity to give our feedback and recommendations. The overall process was very thorough and well organized. My staff looks forward to continuing our strong partnership with the Georgia Department of Education.

Sincerely,

Ronald W. Jackson
