MEMORANDUM

TO: Members of the State Board of Education

FROM: Pamela Smith
Director of Curriculum and Instruction

RE: Survey Results for High School Mathematics Courses

The survey period for public review and comment for the three Mathematics courses (Foundations of Algebra, Algebra I, and Geometry) that were posted on January 15, 2015, closes on Friday, February 13, 2015, at 5:00 p.m. EST. A summary of results, as well as actual comments, will be forthcoming and posted to eBoard by Monday, February 16, 2015.
