

PARENTAL PERMISSION FOR TECHNOLOGY USE

INSTRUCTIONS

Parental permission is required in order for your student to access technology at school. The Wake County Public School System (WCPSS) uses a variety of technology and tools to enable and enhance instruction. With permission, students may use physical devices, including but not limited to, computers, tablets, iPads, and iPods (all of which allow some degree of Internet access.) Students may also access web-based applications to create, review, store, share and potentially post their work on the Internet. Examples of these tools include, but are not limited to BlackBoard, Blogs, Edmodo, Google Apps (not Gmail), SAS Curriculum Pathways, WCPSS student E-Mail (K-5 at the principal’s request) and Wikis. Not all tools are used at all grade levels.

WCPSS has several processes in place to protect students while using technology and tools. Students are educated every year about appropriate online behavior, including interacting with other individuals on social networking websites and cyber bullying awareness and response. The district also uses Internet filters to remove most harmful content.

Students are expected to use technology under their teacher’s direction for educational purposes only in accordance with Board Policy 6446 <http://www.wcpss.net/policy-files/series/policies/6446-bp.html> and related R&P <http://www.wcpss.net/policy-files/series/policies/6446-rp.html> referred to collectively as the Responsible Use Policy or RUP.

- You may grant permission for your student to access technology. You should select this option if you want your student to use computers, tablets, etc. and be allowed to access web-based curriculum tools.
- Parents may deny permission for their student to access technology. You should select this option if you do not want your student to use a computer or other physical device or to access web-based curriculum tools.

Please complete this form and have your student return it to his or her school. Consent remains valid throughout your student’s K-12 experience with the Wake County Public School System or until a new form is completed and signed by a parent/guardian or eligible student.
